AGREEMENT AMENDMENT #2

This is Amendment #2 (the "Amendment") to the Grant Agreement dated April 30, 2020 (the "Agreement") between the State of Oregon, acting by and through the Oregon Department of Emergency Management ("OEM"), and the City of Newport ("Subrecipient"), both individually without distinction as a "Party" and collectively as the "Parties."

The Parties hereby amend the Agreement to reflect a 17-month extension in the period of performance as follows:

Section 1 of the Agreement captioned "Effective Date" is amended as follows (new language indicated by **underline** and deleted language is *[italicized and bracketed]*):

1. **Effective Date.** This Agreement shall become effective on the date this Agreement is fully executed and approved as required by applicable law. Reimbursements will be made for Project Costs (as defined in Section 6.a.) incurred beginning on March 25, 2020 and shall terminate upon completion and approval of the Project (as defined in Section 4) by federal and state officials, including the completion of close-out and audit (the "Project Completion Date"). This period shall be known as the Grant Award Period. The Project shall be completed no later than **June 29, 2025** *[January 29, 2024]* (the "Expiration Date"), unless otherwise extended as provided in this Agreement. OEM's obligation to disburse Grant Funds under this Agreement is subject to Sections 6 and 10 of this Agreement.

This Amendment may be executed by the Parties in counterparts.

Except as expressly amended above, all terms and conditions of the original Agreement are still in full force and effect. Subrecipient certifies that the representations, warranties, and certifications contained in the original Agreement are true and correct as of the date of its signature below and with the same effect as though made at the time of this Amendment. This Amendment is effective on the date it is fully executed and approved as required by applicable law.
