Town Hall Guidelines: Every attempt will be made to give everyone present the opportunity to speak. Please be considerate of the acknowledged speaker by refraining from side conversations. While you may agree or disagree with the speaker, please refrain from audible responses, and respect each speaker.

Speakers will be heard in the order in which they signed in. Please keep comments as brief, and to the point, as possible, in order to allow time for everyone to speak. Try not to repeat points already made by a previous speaker, but briefly state your support for a previous speaker, and then add new information to express your point of view.
