Also in attendance was Cindy Breves, Executive Assistant. Visitors included, Rob Spooner, Charles Hillbee, Ted Bainbridge, Bill Cally, Jamie Rand

INTRODUCTIONS

Introductions were made.

CONSENT CALENDAR

The consent calendar consisted of the following items:

MOTION was made by Patrick, seconded by Clark, to approve the consent calendar. The motion carried unanimously in a voice vote.

MEDIA CONSIDERATIONS

Oregon Coast Magazine presented a proposal for advertising for the year from January 2014 - September 2014. Their big issues is March/April that is when the Mile by Mile issues comes out.

Oregon Coast Today, Charles Hillbee introduced himself and will make a formal presentation at the November meeting.

AAA Via Magazine proposal was reviewed. A highlight of the information was a special rate for full page rate \$5,900 and half page rate of \$3,480 as well as some special rates on smaller ads that appear less often.

In an emailed presentation, Meadow Outdoor Advertising presented Eugene, Lane County, Oregon West Facing wall billboard that is available starting 1/1/14, the cost would be 1,500 per month.

OnDisplay presented new opportunities for advertising at the Lloyd Center.

Visitor's Choice reviewed their 2014 proposal. They provided a copy of a hard cover list of hotels, central Oregon hard cover list of hotels, rate sheet for both Oregon Coast and central Oregon, Web/social media marketing package and reciprocal links program. Ted stated that hotels love having the books in the rooms. DNC has first right of refusal and the prices are grandfathered in. It would be \$12,000 total to do the same advertising as last year.

Next Stop TV proposal \$25,000 for one episode aired on TV (FOX 12 Oregon, KFVE/Hawaii News Now, MavTV, Automotive Broadcast Network) Alaska Airlines In-flight Entertainment, over 150 syndicated websites worldwide each Show airs for two months with a value of \$232,762.

Media America proposal was reviewed. Davis clarified the relationship with OCVA. They simply distribute the Visitor's Guide only.

OTHER

The committee reviewed the report presented by Newport Celtic Festival & Highland Games and discussed their application for a Tourism Marketing Grant again this year. The committee made clear that this is the last year that the Newport Celtic Festival & Highland Games can receive the tourism grant. This would be their third and final year according to the regulation in the Tourism Marketing Grant Application.

MOTION was made by Henning, seconded by Clark, to approve a \$5,000 Tourism Marketing Grant for the Newport Celtic Festival & Highland Games 2014. The motion carried unanimously in a voice vote.

Hospitality Vision image was reviewed by committee and approved by the committee.

Davis discussed attendance at DNC committee meetings. She asked that if committee members are not able to attend that they attend by phone. We do not want to cancel meetings due to no quorum. The committee discussed Gabe McEntee-Wilson resignation from the committee. Davis shared how much she enjoyed being part of the committee but she simple did not have the time to devote to the DNC that is needed. The committee discussed the need to replace her right away. The committee will actively look for retail individuals that would be good for the committee and encourage them to apply.

The New-Times Jamie Rand, discussed consistent branding with the committee and showed some of the Travel Newport and DIVO advertisement that have been done. Rand is asking for specs and deadlines for upcoming advertisement so that he can get timely approval for advertisements. Rand will work with Breves and Davis for the deadlines and specs needed.

DISCUSSION AND ACTION

Media representatives departed, and the committee then discussed at length each of the media requests placed before them at this meeting, and the following was determined.

The committee decided to pass at this time on the following proposals: AAA Via Magazine, OnDisplay Lloyd Center, Meadow Outdoor Advertising Eugene wall, and Next Stop TV.

MOTION was made by Henning, seconded by Clark, to approve a full page premium position with Media America in the Oregon Coast Visitors Guide for \$3,300. The motion carried unanimously in a voice vote.

MOTION was made by Henning, seconded by Clark, to approve a ½ page advertisement. In Mile by Mile with Oregon Coast Magazine for \$3,072.75. The motion carried unanimously in a voice vote.

Davis will contact Visitor's Guide and get pricing for both soft cover guides (Central and Oregon Coast) for the November meeting.

ADJOURNMENT

Having no further business, the meeting adjourned at approximately 3:20 P.M.

Subject: Re: so sorry

Lorna,

I will be back over next Wednesday so maybe we can connect. As for the rates for Central Oregon and the Central Coast, I'm attaching the rate cards for both. In short, here is the summary for both.

Central Coast soft cover:

- 100,000 copies annually
- available in more than 150 locations between Tillamook-Florence (attached is a list)
- available in 20 hotels between Portland and Salem
- ordered by 63 AAA offices, Chamber of Commerce, VCB's in Oregon & Washington (attached is a list)
- comes out in March 2014
- **rate for a full page is \$4,000**

Central Oregon (Bend)

- 90,000 copies annually (72,000 summer; 18,000 copies winter)
- available in more than 125 locations in Central Oregon
- available in 20 hotels between Portland and Salem
- ordered by 69 AAA offices, Chamber of Commerce, VCB's in Oregon & Washington (attached is a list)
- comes out in April 2014
- **rate for a full page is \$4,000**

- Total rate for a 2 book buy is \$7,200.

Lorna, I have included at your request the soft cover only information. Sales don't close until January 31, 2014 for both hard cover publications. I do hope in the new year as we are further into the budget year, we can discuss the hard cover. The response is just so strong from the hotels that I do believe the coverage is extremely good for people who are already on the Coast thus making it easier to get them to visit Newport as part of their vacation. Let me know what your schedule looks like for Wednesday and I will look forward to hearing back from you in November on the 2 soft covers.

Thanks Lorna....and as always, it was great to see you, albeit briefly.

Ted

I currently have your Scenic Byways Guide position held for you; Nov. 14th is past the designated deadline but if that's what you need then I will give a little push back and hold tight for you. Will you be submitting new art?

To help with confusion I've added a column on the OCVA agreement for Premium Placement since it didn't appear on there before. I still have page 4 (or Table of Contents 2) held for you.

✓ To *officially* reserve I simply need the **attached agreement signed** and sent back in.

QUESTION: I know the Scenic Guide agreement was supposed to be made out to the City of Newport. Is the OCVA one supposed to be the same or is having Newport Chamber on their correct?

Hi Lorna ~

This is a short notice and quick turn-around so for that I apologize; I know that your board needs more time to sort out future decisions on advertising but in this case my hands are tied. Travel Oregon just gave me the info for the next Scenic Byways Guide that Newport has previously had a premium ad in.

- ✓ They plan to go to print this fall so I am working on renewals right now.
- ✓ The next Scenic Byways guide will be printed with 100,000 copies again.
- ✓ The cost is same as it originally was so \$3,200.

Does Newport want to renew their Inside Back Cover placement?

ADVERTISING TERMS AND CONDITIONS

(A) As used in this section entitled "ADVERTISING TERMS & CONDITIONS" the term "Publisher" shall refer to MEDIAmerica, Inc.

(B) All insertion orders are accepted subject to provisions of our current rate card. Rates are subject to change upon notice from the Publisher. Should a change in rates be made, space reserved may be canceled by the advertiser or its agency at the time the change becomes effective at no cost to advertiser.

(C) Advertisements are accepted upon the representation that the advertiser and its agency have the right to publish the contents thereof. In consideration of such publication, the advertiser and its agency agree to indemnify and hold Publisher harmless against any expense or loss by reason of any claims arising out of publication.

(D) All contents of advertisements are subject to Publisher approval. Publisher reserves the right to reject or cancel any advertisement, insertion order, space reservation or position commitment at any time without cause. Publisher reserves the right to insert the word "advertisement" above or below any copy. Publisher will immediately refund any amounts prepaid by advertiser for cancelled or rejected advertisements.

(E) Advertisements not received by the final materials closing date will not be entitled to the privilege of okay or revision by the advertiser or its agency.

(F) Cancellations or changes in order may not be made by the advertiser or its agency after the reservation closing date. If a contract is cancelled, the publisher will assess a cancellation fee of 20% on the contract amount. If there are changes in the order, after signing the original contract, the rate may be subject to an upcharge.

(G) Positioning of advertisements is at the discretion of the Publisher except where a request for a specific preferred position is acknowledged by Publisher in writing.

(H) Publisher is not liable for delays in delivery and/or non delivery in the event of an Act of God, action by any government or quasi-governmental entity, fire, flood, insurrection, riot, explosion, embargo, strikes whether legal or illegal, labor or material shortage, transportation interruption of any kind, work slow down, or any condition beyond the control of the Publisher affecting production or delivery in any manner.

(I) Publisher shall have the right to hold advertiser and/or its advertising agency jointly and severally liable for such monies as are due and payable to the Publisher for advertising which advertiser or its agent ordered and which advertising was published.

(J) Publisher shall not be liable for any costs or damages if for any reason it fails to publish an advertisement. The Publisher's liability for any error will not exceed the cost of the space occupied by the error, or the amount paid by the advertiser, therefore whichever is greater.

(K) Publisher shall have no liability for errors in key numbers or advertiser's index.

(L) Conditions other than rates are subject to change by Publisher without notice.

(M) No conditions other than those set forth in this contract shall be binding on the Publisher unless specifically agreed to in writing by the Publisher. Publisher will not be bound by conditions printed or appearing on order blanks or copy instructions which conflict with the provisions of this rate card.

(N) In the event that any amounts due the Publisher under this agreement are not paid in accordance to the proscribed payment terms (30 days) Publisher reserves the right to charge interest for delayed payment of 1-1/2% per month or the maximum legal rate of interest allowed by law for all undisputed invoices past due in excess of thirty days.

(O) This agreement shall be governed and construed in accordance with the laws of the State of Oregon. In the event that commercial collection or legal proceedings be instituted by the Publisher to collect any amounts due under this agreement, advertiser agrees to pay reasonable attorneys fees or collection fees plus any other court costs and charges incurred providing publisher is the prevailing party.

Hi Lorna and Cindy:

Hope all is well with you. You asked me to run this billboard by you again should it become/remain available and the timing might just work out great for you as we have a current agreement on this location until February 20th but we can reserve the location for you now for next summer. You are usually dark until March and this would fit into that schedule. The rate is \$7000 per 4 weeks and \$2000 production for short term agreements and \$6500 per 4 week and \$1000 production with an annual agreement. Let me know if you have any questions 541-953-0979. I am not sure where you are on your budget but I know the committee was interested but wasn't ready to commit so early in the year.

I also wanted to provide a friendly reminder that artwork for the Woodburn location is due December 2nd. I just wanted to give you a heads up so you don't have to rush and given the upcoming holiday season the more notice the better. I greatly appreciate your business and will see you at the next meeting.

DEMOGRAPHICS

Who attends Knights' games? Everybody from grandma & grandpa to the company exec to Joe six-pack to mom and the kids. The experience is for everyone, and very social. But our audience, which is almost completely local, is primarily made up of families from Corvallis, Albany, Philomath and Lebanon. Our season-ticket holders, who we call our "hard cores" are a mature group, aged 45-64, with financial wherewithal. They make up a smaller percentage of our audience (estimated at 15%). We averaged 1,319 fans per game last summer. We estimate families make up over 60% of our audience. While the minor-league experience is all inclusive, if we targeted one group it would be mothers. We want their attention. They make outing decisions.

FOR IMMEDIATE RELEASE 9/27/12

Gary Hayes Appointed Coast Ambassador for Travel Oregon's "Ask Oregon" Program

Gary Hayes, Publisher of *Coast Explorer Magazine* has been named the Oregon Coast ambassador for the Ask Oregon program operated by Travel Oregon the State's official tourism organization. As the Oregon Coast ambassador for Ask Oregon, Hayes will offer personalized travel recommendations for visitor inquiries through Travel Oregon's website and social media channels.

"It is a nice acknowledgement of our efforts sharing the region we love over the past 15 years at *Coast Explorer*," said Hayes. "There are only eight regional travel experts statewide serving as ambassadors in the Ask Oregon program, so it is an honor to represent the Coast." There are about another half dozen experts that respond to specific topics ranging from golf to history.

"The Oregon Coast is a large area to cover and is one of the most asked about regions for Travel Oregon," said Hayes. Fortunately, he's spent the past decade and a half exploring the Coast and has a connection with the region long before that. Hayes is an Oregon native and among his earliest memories is working on his grandfather's fishing boat on the coast. He founded Pelican Productions, a travel media and marketing company based in Seaside, Oregon in 1997. For over 10 years prior to starting *Coast Explorer Magazine* he taught on-location photo workshops sponsored by Kodak's Professional Photography Division and regularly brought groups to all regions of the Oregon Coast.

"It's been fun to contribute to the enjoyment of visitors to the Oregon Coast and it's insightful to see what people are interested in," said Hayes. "To me, this is just a fun extension of what we have been doing with *Coast Explorer* for the past decade and a half."

For information about the Ask Oregon program, follow the link from the home page of the Travel Oregon website. From there, visitors can ask questions and review previous answers that are selected to appear on the website.
