## **City of Newport Parking Study Advisory Committee**

### **Agenda – Meeting #3**

November 14, 2016

3:30 pm – 5:00 pm

Newport City Hall

Council Chambers

#### **1. Observations & Takeaways from August Data Collection**

- a. Review parking occupancy and turnover observed during the August peak period
- b. Discuss observed parking behavior in light of existing regulations (e.g., 2-, 3-, and 4-hour time limits) and opportunities for adjusting rules to better manage demand

#### **2. Maintenance & Capital Projects Update**

- a. Look at maintenance costs for existing assets
- b. Evaluate visualizations, and rough cost estimates of potential capital projects
- c. Discuss capital priorities and projects for further refinement

#### **3. Early Look at Revenues**

- a. Existing revenue streams
- b. Discussion of potential revenue opportunities

#### **4. Feedback/Suggestions for Off-Peak Data Collection**

- a. Off-peak data collection scheduled for Saturday 11/19
- b. Review and confirm data collection plan (Concept is to repeat summer routes)

#### **5. Questions/Discussion**

#### **6. Next Meeting?**
