**PUBLIC HEARING
10-YEAR REVIEW OF NYE BEACH DESIGN REVIEW DISTRICT**

The Newport City Council will hold a public hearing for the 10-year review of the Nye Beach Design Review District. The hearing will be held on Monday, December 16, 2013, at 7:00 P.M., in the City Council Chambers of the Newport City Hall, 169 SW Coast Highway.

The Nye Beach Design Review District was created in 2003 and put into place architectural design requirements and flexible development standards for new construction or areas of redevelopment in the Nye Beach neighborhood. The enacting ordinance requires that within ten years of the date of adoption, the City Council shall consider whether changes need to be made to the district boundaries, policies, and implementing regulations. This public hearing serves as the required ten-year review.

The Nye Beach Design Review standards can be reviewed at the Community Development Department, at the City Hall, or they can be accessed through the city website at www.newportoregon.gov.
