**CITY OF NEWPORT
TO HOST PUBLIC WORKSHOPS
ON PARKING STUDY FOR THE
BAYFRONT, CITY CENTER, AND NYE BEACH**

The City of Newport is hosting three public workshops on the parking study for the Bayfront, City Center, and Nye Beach. The public is encouraged to attend and share thoughts about how parking, transit, and/or vanpool services can be improved in these areas of Newport. The city also welcomes any input on significant capital investments that you believe the city should make, or constraints that need to be eliminated, to improve parking conditions in these areas of Newport.

The workshops will be held from 6:00 P.M. to 8:00 P.M., with a focus on a different geographic area, on the following dates:

Tuesday, April 12

Focus Area: City Center

Workshop Location: Newport City Hall, 169 SW Coast Highway

Wednesday, April 13

Focus Area: Nye Beach

Workshop Location: Newport Visual Arts Center, 777 NW Beach Drive

Thursday, April 14

Focus Area: Bayfront

Workshop Location: Pacific Maritime and Heritage Center, 333 SE Bay Boulevard.

The consulting team at Lancaster Street Lab has been retained to assist the city in conducting these workshops, collecting public input, and graphically capturing and mapping out concepts. Representatives from Lancaster Street Lab will be in attendance at each of the workshops.

For additional information, contact Derrick Tokos, Community Development Director at 541.574.0626.
