**CITY OF NEWPORT  
OFFERING SALVAGEABLE FIXTURES FROM MANUFACTURED HOMES  
TO NON-PROFIT OR OTHER COMMUNITY ORGANIZATIONS**

The City of Newport obtained two manufactured homes as part of an abatement project involving properties impacted by the December 2015 landslide on 70<sup>th</sup> Drive. The structures are not in a condition to be set back up as homes, but contain salvageable fixtures.

The city is seeking non-profit or other community organizations, engaged in the provision of affordable housing, which might be interested in salvaging fixtures from these homes. Salvageable fixtures include, but may not be limited to, cabinetry, plumbing fixtures, doors, etc.

Interested persons should contact Derrick Tokos, Community Development Director, at 541.574.0626, by Wednesday, May 2, 2018.
