**CITY OF NEWPORT
INSTALLING THREE-HOUR PARKING LIMITS
IN NYE BEACH**

The City of Newport is installing three hour parking signs along NW Coast Street, NW Beach Drive, and NW 3rd Street in Nye Beach. The signs were requested and paid for by the Nye Beach Commercial Parking District which is guided by a Citizen Advisory Committee consisting of community volunteers.

The month of September is a transition period during which the city's parking enforcement staff will issue only warnings. Beginning October 1, 2011, tickets will be issued for violations of the parking limit.

Attached is a map of locations where business owners and employees can park without being subject to time limits. Parking passes are available for homeowners or lodging establishments impacted by this change. The passes can be obtained at the Finance Department at the Newport City Hall, 169 SW Coast Highway, Newport, Oregon. Persons seeking a parking pass must present identification when obtaining the pass.

A map is attached, but additional information regarding the Nye Beach Commercial Parking District and its work may be obtained by calling the Community Development Department, at 541.574.0629. Parking enforcement questions should be directed to the Police Department at 541.574.3348.
