Greater Newport Vision 2040 - Envision the Future of the Arts in Our Community!

Calling all artists and imaginative thinkers! Please join us for an evening of creative visioning for the future of the arts in Newport.

**Envision the Future of the Arts
Tuesday May 2, 2017 • 6:00-8:00 pm
Newport Performing Arts Center Lobby
777 W Olive Street**

Do you have ideas for the future of the arts in Newport? We are seeking input for the Vision 2040 project in a creative format: drawing, painting, dance, photography, song, music, theater, writing, storytelling, and more! The first hour will be devoted to a "show and tell." Come share your creative vision for the future of the arts with other community members. The second hour will involve a group visioning session. All ages are welcome.

What do you appreciate about the arts in Newport? What can be improved? What ideas do you have for the future of our arts community?

Your feedback at this event will help inform the long range, community-wide vision for the Greater Newport Area and strategies for achieving that vision. You have an opportunity to help shape the community's future. We want to hear from you!

Check the City's website for project updates and more opportunities to give input and get involved at: <http://www.newportoregon.gov/vision2040>
