

RESOLUTION NO. 3498

A RESOLUTION REQUESTING AN OREGON PARKS AND RECREATION DEPARTMENT LOCAL GOVERNMENT GRANT

FINDINGS:

1. Oregon Parks and Recreation Department is accepting applications for the Local Government Grant Program; and
2. City of Newport desires to participate in this grant program to the greatest extent possible as a means of providing needed park and recreation acquisitions, improvements and enhancements; and
3. Common Council of the City of Newport has identified acquisition of a natural coastal gully and foredune area adjacent to the South Beach State Park as a high priority need in the City of Newport; and
4. While the City of Newport is interested in securing the entire site, which is roughly 2.5 acres in size, only a portion of the property is available for sale. That portion consists of three residentially zoned, 5,000 square foot forested lots that form the northern boundary of the coastal gully; and
5. The subject properties, identified as Lot 7 through 9, Block 7, Waggoner's Addition South Beach, are likely to be developed with residential uses if they are not acquired; and
6. The City of Newport possesses sufficient funds that the matching share for this application is readily available at this time.

THE CITY OF NEWPORT RESOLVES AS FOLLOWS:

Section 1. The Community Development Director of the City of Newport is authorized to apply for a Local Government Grant from the Oregon Parks and Recreation Department for acquisition of the property specified above; and
