

CITY OF NEWPORT

RESOLUTION NO. 3503

A Resolution Amending Rates to be Charged for Solid Waste Collection Services

Findings

- A. As authorized by Newport Municipal Code Chapter 7.05 Solid Waste, the City has granted an exclusive solid waste collection franchise to Thompson's Sanitary Service Inc. (Thompson's).
- B. The City sets rates for solid waste collection services that are intended to provide a reasonable, but not excessive return on investment.
- C. Thompson's has sought a 2.05% increase in its rates, effective July 1, 2010. One main reason for the requested increase in rates is the decreased price that Thompson's is receiving for recycled materials. Recycling provides important benefits to the community, and an increase in rates ensures continued recycling efforts.

Based on these findings,

THE CITY OF NEWPORT RESOLVES AS FOLLOWS:

Section 1. The Council authorizes a 2.05% increase in solid waste collection rates, effective July 1, 2010, as shown in more detail in the attached Exhibit A.

Section 2. This resolution takes effect immediately upon passage, but the increase in rates does not take effect until July 1, 2010.

Adopted by a 7-0 vote of the Newport City Council on May 3, 2010,

Signed on May 4, 2010.
