

CITY OF NEWPORT  
RESOLUTION NO. 3574

A RESOLUTION AMENDING CITY OF NEWPORT  
SYSTEM DEVELOPMENT CHARGE RATES

Findings:

1. The City of Newport adopted Resolution No. 3431 (as amended by Resolution No. 3454) adopting a System Development Charge methodology and rates.
2. Section 3 of Resolution No. 3454 provides that System Development Charge rates shall be adjusted annually based upon the most recent Construction Cost Index published in the Engineering News Record as of November 1<sup>st</sup> of each year.
3. Adjustments to System Development Charge rates are needed to account for changes in construction costs so that, over time, the revenue generated is adequate to finance eligible public infrastructure projects that will be needed to support new development.
4. By making rate adjustments annually to account for inflationary impacts, future increases in System Development Charge rates should be modest in size.

Based on these findings,
