

CITY OF NEWPORT

RESOLUTION NO. 3595

A Resolution Setting Utility Infrastructure Improvement Fees

Findings

- A. The City of Newport operates water, wastewater, and stormwater utilities that provide services to properties within the City and to some properties within the City's urban growth area.
- B. Newport Municipal Code Chapter 5.10 governs the operation and use of the water utility. NMC Section 5.10.200 authorizes the City Council to set charges for water service by resolution.
- C. Newport Municipal Code Chapter 5.15 governs the operation and use of the wastewater utility. NMC Section 5.15.070 authorizes the City Council to set charges for wastewater service by resolution.
- D. Newport Municipal Code Chapter 5.20 governs the operation and use of the stormwater utility. NMC Section 5.20.040 authorizes the City Council to set charges for stormwater service by resolution.
- E. The rates established by this resolution are calculated to cover the costs of water, wastewater, and stormwater maintenance, repair, necessary replacement, and improvement of the system, but do not generate revenue above what is needed for these improvements.

Based on these findings, the City of Newport resolves as follows:

Section 1. Utility Infrastructure Improvement Fee

- A. The charges imposed in this Section 1 apply to properties that have metered City water service.

Each customer shall pay a monthly infrastructure improvement fee. The fees are set as follows:

<u>Water Meter Size</u>	<u>Monthly Infrastructure Improvement Fee</u>
3/4"	\$ 5.95
1"	\$ 11.90
1 1/2"	\$ 23.90
2"	\$ 41.75
3"	\$107.30
4"	\$166.90
5" and larger	\$381.55

Irrigation-only meters will be exempt from the Monthly Infrastructure Improvement Fee.

Section 2. Effective Date

The charges established by this resolution shall be effective starting July 1, 2012. The effective date applies to the date sewer bills are due and payable, not to the date of service.

Adopted by the Newport City Council on June 4, 2012.

CITY OF NEWPORT

Mark McConnell, Mayor
