Invoices in dispute are not subject to such late fees until such time as they are no longer in dispute.

4. Permits. City will be responsible for obtaining all permits, approvals and authorizations necessary for Contractor's performance.
5. Termination for Convenience.

This Contract may be terminated by mutual consent of the parties upon written notice. In addition, City may terminate all or part of this Contract upon determining that termination is in the best interest of City by giving seven (7) days' prior written notice of intent to terminate, without waiving any claims or remedies it may have against Contractor. Upon termination under this paragraph, Contractor shall be entitled to payment in accordance with the terms of this Contract for Contract work completed and accepted before termination less previous amounts paid and any claim(s) City has against Contractor. 7. Termination for Default. Either City or Contractor may terminate this Contract in the event of a breach of the Contract by the other. Prior to such termination, the party seeking termination shall give to the other party written notice of the breach and intent to terminate. If the party committing the breach has not entirely cured the breach within fifteen (15) days of the date of the notice, then the party giving

the notice may terminate the Contract at any time thereafter by giving a written notice of termination.

If Contractor fails to perform in the manner called for in this Contract or if Contractor fails to comply with any other provisions of the Contract, City may terminate this Contract for default. Termination shall be effected by serving a notice of termination on Contractor setting forth the manner in which Contractor is in default. Contractor shall be paid the Contract price only for equipment installed and services performed in accordance with the manner of performance as set forth in this Contract.

8. **Remedies.** In the event of breach of this Contract, the parties shall have the following remedies:
 - 8.1 If terminated under paragraph 7 by City due to a breach by Contractor, City may complete the work either itself, by agreement with another contractor, or by a combination thereof. If the cost of completing the work exceeds the remaining unpaid balance of the total compensation provided under this Contract, then Contractor shall pay to City the amount of the reasonable excess.
 - 8.2 In addition to the above remedies for a breach by Contractor, City also shall be entitled to any other equitable and legal remedies that are available.
 - 8.3 If City breaches this Contract, Contractor's remedy shall be limited to termination of the Contract and receipt of Contract payments to which Contractor is entitled.
 - 8.4 City shall not be liable for any indirect, incidental, consequential, or special damages under the Contract or any damages arising solely from terminating the Contract in accordance with its terms.
 - 8.5 Upon receiving a notice of termination, and except as otherwise directed in writing by City, Contractor shall immediately cease all activities related to the services and work under this Contract.

changes. All such changes shall be ordered and agreed to in writing by both parties.

12. **Confidentiality.** Contractor shall maintain the confidentiality, both external and internal, of any confidential information to which it is exposed by reason of this Contract. Contractor warrants that its employees assigned to this Contract shall maintain necessary confidentiality.
13. **Security and Substance Check.** Contractor agrees that each of its employees and subcontractor's employees involved in this Project may, at the option of City and in compliance with Contractor policy, be subject to a security background check and/or substance abuse testing.

16. **Warranty.** Contractor's warranty is as stated within Exhibit B. Contractor further warrants that all materials, equipment, and/or services provided under this Agreement shall be fit for the purpose(s) for which intended, for merchantability, that material and equipment shall be properly packaged, that proper instructions and warnings shall be supplied, and that the Project shall conform to the requirements and specifications herein. shall cover all activities of the Contractor arising directly or indirectly out of Contractor's work performed hereunder, including the operations of its subcontractors of any tier.

The policy or policies of insurance maintained by the Contractor and its subcontractor shall provide at least the following limits and coverages:

17.1. Commercial General Liability Insurance

Contractor shall obtain, at Contractor's expense, and keep in effect during the term of this contract, Comprehensive General Liability Insurance covering Bodily Injury and Property Damage on an "occurrence" form (1996 ISO or equivalent). This coverage shall include Contractual Liability insurance for the indemnity provided under this contract. The following insurance will be carried:

<u>Coverage</u>	<u>Limit</u>
General Aggregate	\$1,300,000
Products-Completed Operations Aggregate	\$1,300,000
Personal & Advertising Injury	\$1,300,000
Errors & Omissions	\$1,300,000
Each Occurrence	\$1,300,000
Fire Damage (Any one fire)	\$50,000
Medical Expense (Any one person)	\$5,000

17.2. Commercial Automobile Insurance

Contractor shall also obtain, at Contractor's expense, and keep in effect during the term of the contract, Commercial Automobile Liability coverage including coverage for all owned, hired, and non-owned vehicles. The Combined Single Limit per occurrence shall not be less than \$1,200,000.

17.3. Workers' Compensation Insurance

The Contractor, its subcontractors, if any, and all employers providing work, labor or materials under this Contract that are either subject employers under the Oregon Workers' Compensation Law and shall comply with ORS 656.017, which requires them to provide workers' compensation coverage that satisfies Oregon law for all their subject workers or employers that are exempt under ORS 656.126. Out-of-state employers must provide Oregon workers' compensation coverage for their workers who work at a single location within Oregon for more than 30 days in a calendar year. Contractors who perform work without the assistance or labor of any employee need not obtain such coverage. This shall include Employer's Liability Insurance with coverage limits of not less than \$500,000 each accident.

17.4. Additional Insured Provision

The Commercial General Liability Insurance and Commercial Automobile Insurance policies and other policies the City deems necessary shall include the City as an additional insured with respect to this Agreement.

17.5. Notice of Cancellation

There shall be no cancellation, material change, exhaustion of aggregate limits or intent not to renew insurance coverage of Contractor's insurance without 30 days prior written notice to the City. Any failure to comply with this provision will not affect the insurance coverage provided to the City. The certificates of insurance provided to the City shall state that the insurer shall endeavor to provide 30 days prior notice of cancellation to the City

17.6. Certificates of Insurance

As evidence of the insurance coverage required by the Agreement, the Contractor shall furnish a Certificate of Insurance to the City. This Agreement shall not be effective until the required certificates have been received and approved by the City. The certificate will specify and document all provisions within this Agreement. A renewal certificate will be sent to the City 10 days prior to coverage expiration.

17.8. Primary Coverage Clarification

The parties agree that Contractor's coverage shall be primary to the extent permitted by law. The parties further agree that other insurance maintained by the City is excess and not contributory insurance with the insurance required in this section.

17.9. Cross-Liability Clause

A cross-liability clause or separation of insureds clause will be included in all general liability, professional liability, pollution and errors and omissions policies required by this Agreement.

The procuring of required insurance shall not be construed to limit Contractor's liability under this Agreement.

18. **Indemnity.** To the extent permitted by law, Contractor shall protect, defend, indemnify and hold the City harmless from and against all claims, demands, damages, costs, actions and causes of actions, liabilities, fines, penalties, judgments, expenses and attorney fees, resulting from the injury or death of any person or the damage to or destruction of property, or the infringement of any patent, copyright, trademark or trade secret, arising out of the work performed or goods provided under this Agreement or Contractor's violation of any law, ordinance or regulation, contract provision or term, or condition of regulatory authorization or permit, except for damages resulting from the sole negligence of City.

19. **Force Majeure.** This section applies in the event that either party is unable to perform the obligations of this Agreement because of a Force Majeure event as defined herein, to the extent that the Agreement obligation must be suspended. A Force Majeure event is an event that prohibits performance and is beyond the control of the party. Such events may include natural or man-made disasters, or an action or decree of a superior governmental body which prevents performance. Should either party suffer from a Force Majeure event and be unable to perform, such party shall give notice to the remaining party as soon as practical and shall do everything possible to resume performance. Upon receipt of such notice, the parties shall be excused from such performance as it is effected by the Force Majeure event for the period of such event. If such event effects the delivery date or warranty provisions of this Agreement, such date or warranty period shall automatically be extended for a period equal to the duration of such event.
20. **Independent Contractor.** It is the intention and understanding of the parties that Contractor is an independent contractor and that City shall be neither liable for nor obligated to pay sick leave, vacation pay or any other benefit of employment, nor to pay any social security or other tax that may arise as an incident of employment. Contractor shall pay all income and other taxes as due. Industrial or other insurance that is purchased for the benefit of Contractor shall not be deemed to convert this contract to an employment contract. It is recognized that Contractor may or will be performing work during the term for other parties and that City is not the exclusive user of the services that Contractor provides.
21. **Assignment.** Contractor shall not assign or subcontract any of its obligations under this Agreement without City's prior written consent, which may be granted or withheld in City's sole discretion. Any subcontract made by Contractor shall incorporate by reference all the terms of this Agreement. City's consent to any assignment or subcontract shall not release Contractor from liability under this Agreement or from any obligation to be performed under this Contract, whether occurring before or after such consent, assignment, or subcontract.
22. **Governing Law.** This Agreement is to be governed by and under the laws of the State of Oregon.
23. **Consent to Jurisdiction.** The parties hereby consent to jurisdiction of the Lincoln County Circuit Court, Lincoln County, Oregon, over all legal matters pertaining to this Agreement, including, but not limited to, its enforcement, interpretation or rescission.
24. **Public Contracting Requirements.** Contractor shall comply with all federal, state and local laws and ordinances applicable to the work under this agreement, including, without limitation, applicable provisions of the Oregon Public Contracting Code including ORS 279B.020, 279B.220, 279B.230, and 279B.235,

as more particularly set forth in Exhibit C, attached hereto and incorporated herein by this reference.

25. **Arbitration.** If any disputes, disagreements, or controversies arise between the parties pertaining to the interpretation, validity, or enforcement of this Agreement, the parties shall, upon the request of City, submit such dispute to binding arbitration under the Oregon Uniform Arbitration Act, ORS 36.600 et seq. Arbitration shall be requested by delivering to the other party a written request for arbitration. Within five (5) days of receipt of such request, the parties shall select a mutually agreeable arbitrator and designate mutually agreeable rules of arbitration. If the parties cannot agree upon an arbitrator within five (5) days, an arbitrator may be appointed by the presiding judge of the Lincoln County Circuit Court, upon the request of either party submitted in accordance with ORS 36.645. If the parties have not designated mutually agreeable rules of arbitration at such time as the arbitrator is appointed, the arbitrator shall adopt rules for the arbitration. The arbitrator's decision shall be binding upon the parties.
26. **Attorney Fees.** If suit, action or arbitration is brought either directly or indirectly to rescind, reform, interpret or enforce the terms of this Agreement, the prevailing party shall recover and the losing party hereby agrees to pay reasonable attorney's fees incurred in such proceeding, in both the trial and appellate courts, as well as the costs and disbursements. Further, if it becomes necessary for City to incur the services of an attorney to enforce any provision of this Agreement without initiating litigation, Contractor agrees to pay City's attorney's fees so incurred. Such costs and fees shall bear interest at the maximum legal rate from the date incurred until the date paid by losing party.
27. **Facsimile Signatures.** The delivery of signatures to this Agreement by facsimile transmission shall be binding as original signatures.
28. **Entire Agreement.** This Agreement shall be the exclusive agreement between the parties for the Project. No modification of this Agreement shall be effective unless in writing and signed by an authorized representative of both parties, except as otherwise authorized herein.

29. Signatures. This Agreement is not effective unless and until it is approved, signed and dated by an authorized representative of each party.

EXHIBIT C

Public Contracting Code

Requirements for Public Improvement Contracts Over \$50,000

1. Contractor shall pay promptly, as due, all persons supplying labor or materials for the prosecution of the work provided for in the contract, and shall be responsible for such payment of all persons supplying such labor or material to any Subcontractor.
 - (a) ORS 279C.580(3)(a) requires the prime contractor to include a clause in each subcontract requiring contractor to pay the first-tier subcontractor for satisfactory performance under its subcontract within 10 days out of such amounts as are paid to the prime contractor by the public contracting agency; and
 - (b) ORS 279C.580(3)(b) requires the prime contractor to include a clause in each subcontract requiring contractor to pay an interest penalty to the first-tier subcontractor if payment is not made within 30 days after receipt of payment from the public contracting agency.
 - (c) ORS 279C.580(4) requires the prime contractor to include in every subcontract a requirement that the payment and interest penalty clauses required by ORS 279C.580(3)(a) and (b) be included in every contract between a subcontractor and a lower-tier subcontractor or supplier.
2. Contractor shall promptly pay all contributions or amounts due the Industrial Accident Fund from such Contractor or Subcontractor incurred in the performance of the contract, and shall be responsible that all sums due the State Unemployment Compensation Fund from Contractor or any Subcontractor in connection with the performance of the contract shall promptly be paid.
3. Contractor shall not permit any lien or claim to be filed or prosecuted against the City on account of any labor or material furnished and agrees to assume responsibility for satisfaction of any such lien so filed or prosecuted.
4. A notice of claim on contractor's payment bond shall be submitted only in accordance with ORS 279C.600 and 279C.605.
5. Contractor and any Subcontractor shall pay to the Department of Revenue all sums withheld from employees pursuant to ORS 316.167.
6. Contractor shall demonstrate to the City that an employee drug-testing program is in place within 10 days of receiving a Notice of Award.
7. Pursuant to ORS 279C.515, if Contractor fails, neglects or refuses to make prompt payment of any claim for labor or materials furnished to the Contractor or a Subcontractor by any person in connection with the contract as such claim becomes due, the City may pay such claim to the

persons furnishing the labor or material and charge the amount of payment against funds due or to become due Contractor by reason of the contract. The payment of a claim in the manner authorized hereby shall not relieve the Contractor or his surety from his or its obligation with respect to any unpaid claim. If the City is unable to determine the validity of any claim for labor or material furnished, the City may withhold from any current payment due Contractor an amount equal to said claim until its validity is determined and the claim, if valid, is paid.

8. Pursuant to ORS 279C.515, if the Contractor or a first-tier Subcontractor fails, neglects, or refuses to make payment to a person furnishing labor or materials in connection with the public contract for a public improvement within 30 days after receipt of payment from the City or contractor, the contractor or first-tier subcontractor shall owe the person the amount due plus interest charges commencing at the end of the 10 day period that payment is due under ORS 279C.580(4) and ending upon final payment, unless payment is subject to a good faith dispute as defined in ORS 279C.580. The amount of interest may not be waived.
9. As provided in ORS 279C.515, if the Contractor or a Subcontractor fails, neglects, or refuses to make payment to a person furnishing labor or materials in connection with the public contract, the person may file a complaint with the Construction Contractor's Board, unless payment is subject to a good faith dispute as defined in ORS 279C.580.
10. Pursuant to ORS 279C.530, Contractor shall promptly, as due, make payment to any person, co-partnership, association, or corporation, furnishing medical, surgical and hospital care or other needed care and attention, incident to sickness or injury, to employees of such Contractor, of all sums which the Contractor agrees to pay for such services and all monies and sums which the Contractor collected or deducted from the wages of employees pursuant to any law, contract or agreement for the purpose of providing or paying for such service.
11. Contractor shall employ no person for more than 10 hours in any one day, or 40 hours in any one week, except in cases of necessity, emergency, or where public policy absolutely requires it, and in such cases, except in cases of contracts for personal services designated under ORS 279A.055, Contractor shall pay the employee at least time and one-half pay for all overtime in excess of eight (8) hours a day or forty (40) hours in any one week when the work is five (5) consecutive days, Monday through Friday; or for all overtime in excess of 10 hours a day or 40 hours in any one week when the work week is 4 consecutive days, Monday through Friday; and for all work performed on Saturday and on any legal holidays as specified in ORS 279C.540.
12. Pursuant to ORS 279C.540(2), the Contractor must give notice to employees who work on this contract in writing, either at the time of hire or before commencement of work on the contract, or by posting a notice in a location frequented by employees, of the number of hours per day and the days per week that the employees may be required to work.
13. The provisions of ORS 279C.800 to ORS 279C.870 relating to the prevailing wage rates will be complied with.

- (a) The hourly rate of wage to be paid by Contractor or any Subcontractor to workers in each trade or occupation required for the public works employed in the performance of this Contract shall not be less than the specified minimum rate of wage in accordance with ORS 279C.838 and ORS 279C.840.
- (b) The latest prevailing wage rates for public works contracts in Oregon are contained in the following publications: The January 2019 Prevailing Wage Rates for Public Works Projects in Oregon, and the January 2019 PWR Apprenticeship Rates. Such publications can be reviewed electronically at:

http://www.boli.state.or.us/BOLI/WHD/PWR/pwr_state.shtml

and are hereby incorporated as part of the Contract Documents.

- (c) Contractor and all Subcontractors shall keep the prevailing wage rates for this Project posted in a conspicuous and accessible place in or about the Project.
- (d) The Owner shall pay a fee to the Commissioner of the Oregon Bureau of Labor and Industries as provided in ORS 279C.825. The fee shall be paid to the Commissioner under the administrative rule of the Commissioner.
- (e) If Contractor or any Subcontractor also provides for or contributes to a health and welfare plan or a pension plan, or both, for its employees on the Project, it shall post notice describing such plans in a conspicuous and accessible place in or about the Project. The notice shall contain information on how and where to make claims and where to obtain future information.

14. The bond must provide that the contractor or subcontractor will pay claims ordered by the Bureau of Labor and Industries to workers performing labor upon public works projects. The bond must be a continuing obligation, and the surety's liability for the aggregate of claims that may be payable from the bond may not exceed the penal sum of the bond. The bond must remain in effect continuously until depleted by claims paid under ORS 279C.836(2), unless the surety sooner cancels the bond. The surety may cancel the bond by giving 30 days' written notice to the contractor or subcontractor, to the board and to the Bureau of Labor and Industries. When the bond is canceled, the surety is relieved of further liability for work performed on contracts entered into after the cancellation. The cancellation does not limit the surety's liability for work performed on contracts entered into before the cancellation. Contractor further certifies that contractor will include in every subcontract or provision requiring a subcontractor to have a public works bond filed with the Construction Contractors Board before starting work on the project, unless exempt under ORS 279C.836(4), (7), (8), or (9).

- (a) Unless exempt under ORS 279C.836(4), (7), (8), or (9), before permitting a subcontractor to start work on this public works project, the contractor shall verify that the

subcontractor has filed a public works bond as required under this section or has elected not to file a public works bond under ORS 279C.836(7).

- (b) Unless public contracting agency has been notified of any applicable exemptions under ORS 279C.836(4), (7), (8), or (9), the public works bond requirement above is in addition to any other bond contractors or subcontractors may be required to obtain under this contract.
- 15. As may be required by ORS 279C.845, Contractor or contractor's surety and every subcontractor or subcontractor's surety shall file certified payroll statements with the City in writing.
 - (a) If a contractor is required to file certified statements under ORS 279C.845, the City shall retain 25% of any amount earned by the contractor on the public works project until the contractor has filed with the City statement as required by ORS 279C.845. The City shall pay the contractor the amount retained within 14 days after the contractor files the required certified statements, regardless of whether a subcontractor has failed to file certified statements required by statute. The City is not required to verify the truth of the contents of certified statements filed by the contractor under this section and ORS 279C.845.
 - (b) The contractor shall retain 25% of any amount earned by a first-tier subcontractor on this public works contract until the subcontractor has filed with the City certified statements as required by ORS 279C.845. The contractor shall verify that the first-tier subcontractor has filed the certified statements before the contractor may pay the subcontractor any amount retained. The contractor shall pay the first-tier subcontractor the amount retained within 14 days after the subcontractor files the certified statements as required by ORS 279C.845. Neither the City nor the contractor is required to verify the truth of the contents of certified statements filed by a first-tier subcontractor.
- 16. All employers, including Contractor, that employ subject workers who work under this contract shall comply with ORS 656.017 and provide the required Workers' Compensation coverage, unless such employers are exempt under ORS 656.126. Contractor shall ensure that each of its subcontractors complies with these requirements.
- 17. All sums due the State Unemployment Compensation Fund from the Contractor or any Subcontractor in connection with the performance of the contract shall be promptly so paid.
- 18. The contract may be canceled at the election of City for any willful failure on the part of Contractor to faithfully perform the contract according to its terms.
- 19. Contractor certifies that it has not and will not discriminate against minorities, women or emerging small business enterprises in obtaining any required subcontractors, or against a business enterprise that is owned or controlled by, or that employs a disabled veteran as defined in ORS 408.225.
- 20. Contractor certifies its compliance with the Oregon tax laws, in accordance with ORS 305.385.

21. In the performance of this contract, the Contractor shall use, to the maximum extent economically feasible, recycled paper, materials, and supplies, and shall compost or mulch yard waste material at an approved site, if feasible and cost effective.
22. As may be applicable, Contractor certifies that all subcontractors performing construction work under this contract will be registered with the Construction Contractors Board or licensed by the state Landscaping Contractors Board in accordance with ORS 701.035 to ORS 701.055 before the subcontractors commence work under this contract.
