**NEWPORT PARKS AND RECREATION  
AQUATIC CENTER HOURS OF OPERATION CHANGE**

The Newport Parks and Recreation Department announces adjustments to the operational hours of the Newport Aquatic Center starting January 25, 2022. Hours are being adjusted due to staffing shortages that are being felt locally and nationally. The Newport Aquatic Center will return to normal operational hours as soon as staffing returns to an adequate level to provide a safe environment to our patrons.

Visit the <https://newportoregon.gov/pool>, contact the Recreation and Aquatic Center at (541) 265-7783, or see below for the temporary pool schedule changes.
