SUBJECT: Sanitary Sewer Rehabilitation Project

Contact person: Chris Janigo, PE, Acting City Engineer
541-574-3369

The City of Newport Public Works Department advises that work will soon commence on the Sanitary Sewer Rehabilitation Project. This involves the replacement of damaged and deteriorated gravity sewer lines in the northwest area of the City, bounded by NW 3rd St, NW 22nd St., and US Highway 101.

The contractor is Advanced Excavation, Inc.

In most repair locations there will be single-lane access with traffic control signage and flaggers. There will be signed detour routes around other repair locations.

The project will start on Monday, May 3, and be completed by early August.

Thank you.
