**MEDIA RELEASE
For Immediate Release**

DATE: October 14, 2019

SUBJECT: **NW 68th St. Residents - Restricted Access on Monday, October 14, 2019**

Contact person: Tim Gross, City Engineer/Director of Public Works
541-574-3366

Late Sunday night, City of Newport crews responded to a break in the sanitary sewer force main at NW 68th St. This is related to the older pump station at the top of NW 68th St.; a new pump station is being constructed and will be in service within the next six months.

Crews are working on the repairs today, Monday, October 14, and expect the work to be completed by the end of the day. This will result in restricted access for the residents of NW 68th St.

NW 68th continues to be closed to all other traffic and to beach access. Closures are in effect until project completion.

Thank you for your cooperation.
