The City of Newport advises that SW Angle St. between Hwy 101 and SW 9<sup>th</sup> St. will have parking stalls closed from September 18<sup>th</sup> to September 26<sup>th</sup> to install lighting conduit on both sides of SW Angle St.

Construction activities, including trenching, drilling and movement of heavy equipment, will continue through next week. Signs and barricades will be erected to prevent access to parking stalls and sidewalk closure in the work area. Traffic on SW Angle Street shall not be blocked. New acorn light poles will be erected the following week, September 30<sup>th</sup> to October 4<sup>th</sup>.

Your safety is extremely important, so please respect the construction zone.

We encourage all City of Newport employees to park in the lot across the street and avoid parking on SW Angle St.

Thank you for your patience.
