RESOLUTION NO. 3849**

**RESOLUTION SETTING
SHORT-TERM RENTAL LICENSING FEES**

WHEREAS, City of Newport adopted Ordinance No. 2144, effective May 6, 2019, relating to the regulation of short-term rentals within the city limits; and

WHEREAS, Ordinance No. 2144 puts in place a framework for licensing the annual operation of short-term rentals, in order to ensure the safety and convenience of renters, owners, and neighboring property owners; protect the character of residential neighborhoods; protect the City's supply of needed housing; and address potential negative effects such as excessive noise, overcrowding, illegal parking, and nuisances (e.g. accumulation of refuse, light pollution, etc.); and

WHEREAS, City will incur costs to administer the licensing program, including the review of license applications for compliance with land use requirements, building and fire safety inspections, and enforcement to ensure that rules are being followed; and

WHEREAS, it is reasonable that a portion of City's costs be borne by applicants in the form of a filing fee when applications are initially submitted, and for subsequent license renewals; and

WHEREAS, Ordinance No. 2144 requires that such fees be determined by resolution of the City Council.
