

CHAPTER 14.25 SHORT-TERM RENTAL LAND USE REGULATIONS

14.25.005 Purpose

This chapter establishes criteria by which short-term rental uses may be permitted in order to ensure the safety and convenience of renters, owners, and neighboring property owners; protect the character of residential neighborhoods; protect the City's supply of needed housing; and address potential negative effects such as excessive noise, overcrowding, illegal parking, and nuisances (e.g. accumulation of refuse, light pollution, etc.).

It is the intent of these regulations to strike a reasonable balance between the need to limit short-term rental options within neighborhoods to ensure compatibility, while also recognizing the benefits of short-term rentals in providing recreation and employment opportunities, as well as transitional housing for tourists, employees of businesses, and others who are in need of housing for a limited duration.

(Staff note: the following definitions will be added to, or will update terms defined in Chapter 14.01. They are included here for reference.)

14.25.010 Approval Authority

- A. Upon receipt of a request by an owner or authorized agent to complete a land use compatibility statement for a short-term rental the Community Development Director, or designee, shall determine if the request satisfies the standards of section 14.25.030. If the request satisfies the standards, then the Director shall sign the statement confirming that short-term rental is a permitted use. Such action is ministerial and, as a non-discretionary act, is not subject to appeal.

- B. In the event that the Community Development Director or designee, determines that an application does not meet one or more of the standards of section 14.25.030, then the land use compatibility statement shall not be signed.
- C. If one or more of the standards under section 14.25.030 cannot be met, an owner may seek relief from those standards through a conditional use permitting process, pursuant to section 14.34.010. Such an application is subject to review by the Planning Commission via a Type III decision making process, consistent with section 14.52.010, and is to be limited in scope to those standards that cannot be satisfied.

- E. An approved Conditional Use Permit that grants relief from, or provides alternative requirements to, one or more of the standards of section 14.25.030 shall serve as evidence that standards have been satisfied so that the Director can sign the land use compatibility statement.

The Vacation Rental Overlay Zone shall be indicated on the Zoning Map of the City of Newport with the letters VROZ and is the area described as follows:

Real property lying within the corporate limits of the City of Newport beginning at the southwest corner of the intersection of NW 12th Street and US 101; thence west along the south line of NW 12th Street to the statutory beach line of the Pacific Ocean; thence southerly along the statutory beach line of the Pacific Ocean to the north line of SW 95th Street; thence east along the north line of SW 95th Street to its intersection with US 101; thence south along the west line of US 101 to a point opposite the south line of SE 98th Street; thence east across US 101 to the southeast corner of the intersection of US 101 and SE 98th Street, such point being coterminous with the Wolf Tree Destination Resort Site incorporated into the Newport Urban Growth Boundary pursuant to City of Newport Ordinance No. 1520; thence southerly, easterly, northerly, and westerly around the perimeter of the Wolf Tree Destination Resort Site to a point at the northeast corner of the intersection of SE 98th Street and US 101; thence north along the east line of US 101 to its intersection with SW Naterlin Drive; thence north and east along the south line of SW Naterlin Drive to SW Bay Street; thence south and east along the south line of SW Bay Street to the Mean Higher High Water (MHHW) line of Yaquina Bay; thence easterly and northerly along the MHHW line to its intersection with the Newport Urban Growth Boundary; thence northerly along the Urban Growth Boundary line to the south line of the Yaquina Bay Road; thence west along the south line of the Yaquina Bay Road to the point where it transitions into SE Bay Boulevard; thence west along the south line of SE Bay Boulevard to SE Moore Drive; thence north and west along the east line of SE Moore Drive to US 20; thence west along the south line of US 20 to the west line of SE Grant Street; thence north across US 20 to the west line of NE Grant Street; thence north along the west line of NE Grant Street to NE 1st Street; thence west along the north line of NE 1st Street to US 101; thence north along the east line of US 101 to the north line of NE 12th Street; thence west across US 101 to the point of beginning.

Parking spaces shall comply with the dimensional standards of subsection 14.14.090(A). Off-street parking on driveways that extend into underdeveloped rights-of-way may be used to satisfy this requirement provided a stipulation is placed on the endorsement that the authorization may be revoked if the street is improved and driveway shortened.
