## CITY OF NEWPORT PUBLIC NOTICE<sup>1</sup>

**NOTICE IS HEREBY GIVEN** that the Planning Commission of the City of Newport, Oregon, will hold a public hearing to consider the following Nonconforming Use Permit request:

## File No. 8-NCU-19:

Applicant: TKO Properties I LLC, 7308 N Macrum Avenue, Portland, OR 97203 (Christopher Khari Gates, agent).

**<u>Request</u>**: Approval of a request per Section 14.32/"Nonconforming Uses, Lots, and Structures" of the Newport Municipal Code, for the alteration and expansion of a nonconforming use. The property is currently being used as a mobile home park (Surfside Mobile Village). Specifically, the applicants are requesting to be allowed to replace a manufactured home on one permanent space with two park models that would change it to two permanent spaces in the mobile home park.

Location: Lincoln County Assessor's Map 11-11-05-CD; Tax Lots 10500, 10501, 10600, 10700 & 10800 (392 NW 3rd Street).

Applicable Criteria: Pursuant to NMC Section 14.32.060(A), the approval authority shall determine that the structure was legally established at the time the Zoning Ordinance was enacted or amended, and that the use has not been discontinued for a continuous 12 month period. The approval authority must also verify the nature and extent of the nonconforming use, considering (1) a description of the use; (2) The types and quantities of goods or services provided and the activities conducted; (3) The scope of the use (volume, intensity, frequency, etc.) including fluctuations in the level of activity; (4) The number, location and size of physical improvements associated with the use; (5) The amount of land devoted to the use; and (6) Other factors the approval authority may determine appropriate to identify the nature and extent of a particular use (NMC Section 14.32.060(B)). Pursuant to NMC Section 14.32.070, after verification of the status of a nonconforming use pursuant to subsection 14.32.030, the approval authority may authorize alteration, expansion, or replacement of any nonconforming use or structure when it is found that such alteration, expansion, or replacement will not result in a greater adverse impact on the neighborhood when considering the following factors: (A) (1) The character and history of the use and of development in the surrounding area; (2) The comparable degree of noise, vibration, dust, odor, fumes, glare, or smoke detectable within the neighborhood; (3) Adequacy of infrastructure, including sewer, water, and streets, to accommodate the use; (4) The comparative numbers and kinds of vehicular trips to the site; (5) The comparative amount and nature of outside storage. loading, and parking; (6) The comparative visual appearance; (7) The comparative hours of operation; (8) The comparative effect on solar access and privacy; (9) Other factors which impact the character or needs of the neighborhood. (B) The approval authority must consider the purpose of the current zoning provisions that cannot be satisfied when determining whether or not the alteration, expansion, or replacement of a nonconforming use or structure will have a greater adverse impact on the neighborhood. (C) To the extent there is a rational nexus, and the City can establish that needed improvements are roughly proportional to proposed development, an alteration, expansion, or replacement of a nonconforming use or structure shall be brought into compliance with provisions of the Zoning Ordinance that relate to: (1) Surfacing of parking areas and landscaping; (2) Exterior design of structures; and (3) Outdoor displays, storage, and signage.

**Testimony:** Testimony and evidence must be directed toward the criteria described above or other criteria in the Comprehensive Plan and its implementing ordinances that the person believes to apply to the decision. Failure to raise an issue with sufficient specificity to afford the city and the parties an opportunity to respond to that issue precludes an appeal (including to the Land Use Board of Appeals) based on that issue. Testimony may be submitted in written or oral form. Oral testimony and written testimony will be taken during the course of the public hearing. Letters sent to the Newport Community Development (Planning) Department (address below under "Reports/Application Material") must be received by 5:00 p.m. the day of the haring to be included as part of the hearing or must be personally presented during testimony at the public hearing. The hearing will include a report by staff, testimony (both oral and written) from the applicant and those in favor or opposed to the application, rebuttal by the applicant, and questions and deliberation by the Planning Commission. Pursuant to ORS 197.763 (6), any person prior to the conclusion of the initial public hearing may request a continuance of the public hearing or that the record be left open for at least seven days to present additional evidence, arguments, or testimony regarding the application.
