PREAMBLE

Agreed to and to be in effect between the City of Newport, Oregon, hereinafter called the "City," and the Newport Police Association, hereinafter called the "Association", made and entered into for the purpose of fixing the wage scale, schedule of hours, and conditions of employment affecting members of the bargaining unit.

The purpose of this Agreement is to set forth the full and complete agreement between the parties on matters relating to employment relations.

In all instances, this contract between the City and the Association shall take precedence over conflicting rules and regulations.

ARTICLE 1 - RECOGNITION

The City recognizes the Association as the sole and exclusive bargaining agent for the purpose of establishing salaries, wages, hours, and conditions of employment for all regular employees who are members of the bargaining unit. For the purpose of this Agreement, a regular employee shall be an employee who works a regularly scheduled week of twenty (20) hours or more. All reference to employees in this Agreement shall be construed to mean regular employees, and not irregular, seasonal, or part-time (less than twenty (20) hours per week) employees. Employees working less than forty (40) hours per week shall have holidays, sick leave, and vacation earned and utilized on a prorata basis based upon the relation their work week bears to forty (40) hours.

The bargaining unit shall consist of the following classifications:

- A. Police Officer
- B. Records Clerk/Evidence Tech

- C. Receptionist
- D. Community Service Officer (non-sworn)

It is further agreed that the following classifications are supervisory or confidential and are excluded from the bargaining unit:

- A. Chief of Police
- B. Police Secretary
- C. Records Supervisor
- D. Lieutenant
- E. Sergeant

In the event the City creates a new job classification which is properly within the bargaining unit, the parties shall negotiate the hours, wages, and other applicable conditions of employment for such new classification.

ARTICLE 2 - ASSOCIATION BUSINESS

Section 1. Meetings:

To the extent allowable by the operational requirements of the department, an employee previously designated by the Association as representative and any employee who files a grievance shall be allowed time off from regular duties for the purpose of meeting with representatives of the City on grievance matters pursuant to Article 24 hereof when such meetings are scheduled during that employee's regular working hours.

Also, to the extent allowable by the operational requirements of the department, employees may attend previously scheduled Association meetings while on duty, as long as such employees are immediately available for their duties if needed.

Section 2. Negotiating Sessions:

The Association negotiating team, to be comprised of not more than three (3) employees, shall be permitted to attend negotiating meetings with the City representatives without loss of pay, to the extent consistent with the operation of the department, relative to securing contract renewal to the extent that such meetings are scheduled during duty hours of the members so attending. Also, to the extent allowable by the operational requirements of the Department, employees may attend previously scheduled negotiation sessions while on duty, as long as such employees are immediately available for their duties if needed.

Section 3. Not time worked:

Time spent in the aforementioned Association activities shall not be considered “time worked” for purposes of computing overtime.

ARTICLE 3 - ASSOCIATION SECURITY

Section 1. Check off:

Upon receipt of signed authorization by each member of the Association, the City agrees to deduct from each member's monthly paycheck the uniform amount as specified by the Association. The City agrees to remit the aggregate of the deductions monthly to the Treasurer of the Association on behalf of the employees involved. The performance of this service by the City is at no cost to the Association.

Section 2. Fair Share:

A. The parties agree to a fair share agreement, and in accordance with such it is understood that each employee who is a member of the bargaining unit herein defined but not a member of the Association shall, beginning with the first full month of employment, have

deducted from his pay with or without authorization and forwarded to the Association as representation costs, an amount equivalent to the periodic dues and initiation fees uniformly required as a condition of acquiring and maintaining membership in the Association.

B. Any individual employee objection to association with or payment of dues to a labor organization based on a sincerely held religious belief or bona fide religious tenets or teachings of a church or religious body of which such employee is a member shall, upon written certification to the Association and the City of such objection, fulfill the requirements contained in Part A hereof by payment of the equivalent of uniformly required Association membership dues to a non-profit charity or as otherwise mutually agreed upon between the employee and the Association. The employee shall furnish written proof each month to the Association that this has been done.

Section 3. Hold Harmless:

Provided the City acts in compliance with the provisions of this Article, the Association will indemnify, defend and hold the City harmless against any claims made and against any suit instituted against the City as a result of the City's enforcement of the above provisions or as a result of check off errors.

Section 4. New Hires:

The City will notify the Association of all new hires within one (1) week after their having been employed, furnishing the Association with the new employee's name, , mailing address and position for which he or she was hired.

Section 5. Bulletin Boards:

The City will allow the Association to install and maintain a bulletin board at a reasonable location approved by the Department to be used by the Association for the posting of notices and bulletins relating to the Association. All items so posted will bear the signature of an official of the Association.

Section 6. Right of Access:

Association representatives shall have the right to reasonable access to the Police Department for the purpose of investigating grievances and other business related to the representation of employees. The Association representative shall contact the ranking supervisor within the department prior to meeting with bargaining unit employees. Meetings with departmental employees shall not unreasonably interfere with departmental operations or activities.

Section 7. Existing Conditions:

If a change of standard, method, or procedure made pursuant to Article 4, Section 2(E), Management Rights, involves a mandatory subject of bargaining, the City shall provide fifteen (15) calendar days notice to the Association, and the change is subject to the assertion of bargaining rights by the Association.

ARTICLE 4 - MANAGEMENT RIGHTS

Section 1.

ARTICLE 5 - STRIKES AND LOCKOUTS

Section 1.

The Association and its members, as a group, will not initiate, cause, permit or participate or join in any strike, work stoppage, or slowdown, picketing, or any other restriction of work at any location in the City. Employees in the bargaining unit, while acting in the course of their

employment, shall not honor any picket line established in the City by the Association or any other labor organization when called upon to cross such picket line in the line of duty. Employees shall have the right to form, join, and participate in the activities of employee organizations of their own choosing for the purpose of representation matters of employment relations. No employee shall be interfered with, intimidated, restrained, coerced, or discriminated against by the City because of his exercise of his rights. Nothing in this agreement shall be construed as precluding or limiting the right of an individual employee to represent himself in individual matters with administrative or supervisory employees of the City.

Section 2.

The provisions of this Agreement shall be applied equally to all employees in the bargaining unit without discrimination as to marital status, age, sex, race, color, creed, national origin, Association affiliation, or political affiliation. Other bargaining unit employees shall serve a probationary period of twelve (12) consecutive full months.

Section 2.

The Association recognizes the right of the City to terminate new employees on probationary status for any reason without recourse to the grievance procedure and to exercise all rights not specifically modified by this Agreement, with respect to such employees, including,

but not limited to, the shifting of work schedules, the assignment of on-the-job training, the assignment to educational courses and training programs. However, the time spent in the higher classification work will not be counted toward seniority credit. Such time shall be considered equivalent to a non-paid leave.

ARTICLE 8 - SENIORITY

Section 1.

"Seniority" as used in this Agreement is determined by the length of an employee's continuous bargaining unit service in his or her current job classification.

Section 2.

An employee shall lose all seniority in the event of termination of employment with the City. Time spent on leave without pay shall not be counted toward an employee's continuous service.

Section 3. Reduction in Force:

A. Layoff:

In the event of layoff for any reason, employees shall be laid off in the inverse order of seniority

in their classification, provided that the senior employee possesses the demonstrated skill, ability, fitness and experience necessary to perform available and budgeted work without additional training. Notwithstanding the above seniority provision, in the event departmental supervisors are to be subject to layoff, such employees shall have the right to displace the least senior bargaining unit personnel. In the event of a layoff, non-bargaining unit personnel who return to the bargaining unit shall retain their prior bargaining unit seniority.

B. Recall:

An employee who is laid off will remain on the laid off list and be eligible for recall for 24 months. No new employees shall be hired to any position until all laid off employees who are fully qualified for the position have been given an opportunity to accept the position.

The City shall notify laid-off employees in the order of their seniority within classification of a position opening by certified letter, return receipt requested, at their address of record as maintained in the City Manager's office. Laid-off employees shall have seven (7) calendar days from receipt of such notification in which to indicate their acceptance or rejection of the position and an additional fourteen (14) days there from in which to begin active employment. The City may, however, specify a later reporting date.

If an employee fails to respond to such correspondence sent to his/her last known address (return of certified letter), or if he/she rejects any position offered to him/her, he/she shall forfeit all re-employment rights. Employees who wish to waive re-employment rights may do so by written notification to the City.

Employees returning from layoff shall have all previously accrued sick leave, the level of vacation accrual, and seniority reinstated, and be placed on the same step of the wage schedule as prior to layoff, but shall not receive benefits for the period of the layoff.

ARTICLE 9 - OUTSIDE EMPLOYMENT

Permission to work at police-related employment while an employee of the City of Newport must be approved by the Police Chief. Furthermore, the Police Chief shall be notified in advance of all formal outside employment. All outside employment must:

- A. Be compatible with the employee's City duties;
- B. In no way detract from the efficiency of the employee in City duties;
- C. In no way be a discredit to City employment; and,
- D. Not take preference over extra duty required by City employment.

It is understood that the Chief may, upon reasonable grounds, at any time revoke permission to hold outside employment.

ARTICLE 10 - HOURS AND OVERTIME

Section 1. Work Hours:

Except for regular part-time employees, a normal work week shall consist of the following schedules:

Patrol officers will work shifts consisting of twelve (12) hours, on work schedules of four (4) days on, three (3) days off, three (3) days on, four (4) days off; or ten (10)-hour shifts consisting of four (4) days on followed by three (3) days off; or eight (8)-hour shifts consisting

of five (5) days on followed by two (2) days off. There may be a combination of these work shifts in place at any time. Alternative days off may be mutually agreed upon by the employee and the City.

Officers assigned to Detectives and Records Clerks/Evidence Tech may work either ten (10)-hour shifts consisting of four (4) days on followed by three (3) days off, or eight (8)-hour shifts consisting of five (5) days on followed by two (2) days off. There may be a combination of these work shifts in place at any time. Alternative days off may be mutually agreed upon by the employee and the City.

For twelve (12)-hour shifts, the normal days off will be Thursday, Friday, Saturday and every other Wednesday; or Sunday, Monday, Tuesday, and every other Wednesday. Alternative days off may be mutually agreed upon by the employee and the City.

The rotation between day shift and night shift will occur at regular two (2)-month intervals.

For the twelve (12)-hour shifts, to compensate for the additional twenty-four (24) hours each officer will work over a three (3)-month period, each officer will receive two (2) extra shifts off plus two (2) hours compensatory time during a three (3)-month cycle. These shifts will be normally scheduled to be taken on Wednesdays. These days off will be in the form of compensatory time, and are to only be used when no overtime would be incurred to cover a shift as a result of the compensatory time usage. In the event that the employee is unable to use these days within the three (3)-month accrual, the employee would be credited with compensatory time (up to twenty-six (26) hours). During the three (3)-month accrual period, the City may schedule time off in blocks of four (4) hours or more of the “Kelly” time to compensate for the additional

hours. As with the sixty (60)-hour compensation time limitation in Article 10, Section 6, this compensatory time will be made in the form of cash payment if the limitation is exceeded.

The Association and the City agree to elect a 7K work period as provided in Section 7(K) of the Fair Labor Standards Act and 29CFR Part 553 for police officers. The work period shall be a twenty-eight (28)-day work period and shall begin on Tuesday, September 28, 1999. This provision shall provide for a maximum of 171 non-overtime hours within the 28-day work period. However, the parties also specifically agree that all hours worked beyond the work day and work week set forth in this Agreement shall continue to be paid at the overtime rate. Additionally, the parties specifically agree that the overtime calculation shall continue to include sick leave, vacation leave and compensatory time off as hours worked. Use of paid time off on the same day as overtime accrual must be approved by the Chief of Police.

Section 2. Meals and Breaks:

For officers working either an eight (8) or ten (10) hour shift, included within the work day, but to be taken within the limitations of operational requirements, are two (2) paid fifteen-minute (15-minute) rest periods and a paid thirty-minute (30-minute) meal period. Employees are subject to call during such periods without additional compensation. For officers working twelve (12)-hour shifts, there will be one (1) additional paid fifteen-minute (15-minute) rest period.

Records Clerks/Evidence Tech will receive two (2) paid fifteen-minute (15-minute) rest periods and a paid thirty-minute (30-minute) meal period to be taken within the limitations of operational requirements. Employees are subject to call during such periods without additional compensation.

Section 3. Overtime:

Full-time employees required to work beyond his/her regularly scheduled work hours per week or per shift shall be eligible for overtime pay at one and one-half (1 ½) times their regular rate of pay, in accordance with FLSA. Overtime shall be computed to the nearest one-quarter (1/4) hour and shall be based on the actual number of hours on duty per day.

Section 4. Work Schedules:

Records Clerks/Evidence Tech shall receive forty-eight (48) hours off between each scheduled work week. All other employees shall receive fifty-six (56) hours off between each scheduled work week except when shift rotation occurs. Failure to receive this time off shall result in overtime compensation. The provisions of the above may be waived upon mutual written agreement of the Chief of Police or his/her designee and the individual involved.

The above provisions of this Section shall not apply when a shift rotation occurs. At the time of shift rotation, all employees shall receive a minimum of eight (8) hours off between shifts, and no employee shall receive extra pay or suffer a loss of pay as a result of the rotation of shifts. It is the intent of the City to continue its current practice with regard to the method of implementation of the rotation of shifts.

Section 5. Call-back:

When an employee is called back to service outside his/her regular work hours to perform work or to appear in court as a result of work performed as a City employee, such employee shall accrue a call-back minimum of three (3) hours overtime. For the purpose of this section, there must have been a break of more than one (1) hour between the completion of on-duty time and the time of the call-back or court appearance, otherwise such time will be subject to contract

provisions for overtime pay. In addition, employees recalled less than three (3) hours prior to the start of their regular shift shall be paid only for actual hours worked, and may continue to work through the regular shift.

Section 6.

Payment for overtime worked shall be made within thirty-one (31) days from the date of the overtime worked. Compensatory time off in lieu of cash payment of overtime may be taken by mutual agreement between the City and the employee. No employee shall be allowed to accrue more than one hundred (100) hours of compensatory time. Employees shall have the option of selling back forty (40) hours of compensatory time in December of each year.

In no event shall overtime be paid twice for the same hours worked.

Section 7. Approved Time Off:

All time off requests for blocks of time of thirty-six (36) hours or more will be requested in writing no less than fourteen (14) days prior to the first day of the requested leave. These requests will be either approved or disapproved in writing no later than seven (7) days of submission. Approved time off will be granted as scheduled except in cases involving operational emergencies which result from conditions outside the control of the department.

The City will make a reasonable effort to work with the courts so that court appearances will not be scheduled during approved time off periods. The parties recognize, however, that the City ultimately does not control the courts.

ARTICLE 11 - HOLIDAYS

In lieu of receiving holidays off or additional pay for work performed on holidays, each employee shall receive additional monthly cash payment equal to nine (9) times their regular

hourly rate.

If the employee so elects, the cash payment provided for above shall be credited to his compensatory time account provided for in Article 10 hereof.

ARTICLE 12 - SICK LEAVE

Section 1. Accumulation:

Sick leave shall accrue at the rate of eight (8) hours for each full calendar month of service. Sick leave may be accumulated to a total of nine hundred and ten (910) hours and must be taken for the purposes specified in Section 2 hereof as a condition precedent to any sick leave payment.

Section 2. Utilization:

Employees may utilize their allowance for sick leave when unable to perform their work duties by reason of illness or disability or by reason of illness or temporary disability in the immediate family as defined in Article 13 requiring the employee to be away from home to care for a family member, or to care for a family member at home for an uncertain period of time. A request of this nature would require the approval of the supervisor. In such event, the employee shall notify the immediate supervisor of the absence due to illness or injury, the nature and expected length thereof, as soon as possible. One hour prior to the employee's first regular work shift is a reasonable expectation of notification for use of sick leave. A physician's statement of the nature and identity of the illness, the need for the employee's absence, and the estimated duration of the absence may be required at the option of the Chief of Police or his designee for absences of over three (3) work days prior to payment of any sick leave benefits. A physician's statement may be required as a prerequisite to payment of sick leave for absences of three (3)

work days or less if the employee has been advised in advance of such requirement.

Section 3. Workers' Compensation:

Any illness or injury for which the employee receives time-loss payments under Workers' Compensation laws may either receive the time loss payment or may submit the payments to the City and use paid leaves to equate to their normal salary. If a three-day waiting period should apply, the employee shall qualify for sick leave benefits for that period of time. For the duration of any temporary disability that occurs in the course of employment with the City, the City shall continue to make payment for medical, dental, vision, life and accidental death and dismemberment insurance as provided in this contract as though the injured employee were working. If an employee is injured while engaged in employment for a third party (or self-employment), and such injury requires leave greater than 30 days, the employee will not accumulate any paid leaves. The City, at its discretion, may choose to discontinue insurance or other, but shall grant a non-paid leave for the duration of the temporary disability.

Section 4. Sick Leave without Pay:

Upon application by the employee, sick leave without pay may be granted by the City for the remaining period of disability after accrued sick leave has been exhausted. The City may require that the employee submit a certificate from a physician periodically during the period of such disability.

Section 5. Termination:

Sick leave is provided by the City in nature of insurance against the loss of income due to illness or injury. No compensation for accrued sick leave shall be provided for any employee upon his death or termination of employment, for whatever reason. Sick leave shall not accrue

during any period of leave of absence without pay.

ARTICLE 13 - COMPASSIONATE LEAVE

Compassionate leave with pay shall be granted to an employee in the event of death in his or her immediate family, and shall include an employee's spouse, parent, step-parent, grandparent, grandchildren, children, stepchildren, brother, sister, mother-in-law or father-in-law. Compassionate leave shall be granted for up to three (3) days for a funeral within 100 miles of Newport or up to five (5) days for a funeral 100 miles or more outside Newport.

ARTICLE 14 - OTHER LEAVES OF ABSENCE

Section 1.

Employees shall be granted leave with pay for service upon a jury during their scheduled working hours; provided, however, that the salary paid to such an employee for the period of service shall be reduced by the amount of money received by him for such jury service and upon being excused from jury service during any day an employee shall immediately contact his supervisor for assignment for the remainder of his or her regular work day.

Section 2.

The purpose of this Article is to insure an employee of his normal compensation for jury service during his regular working hours. Overtime compensation shall not accrue for jury duty.

Section 3. Criteria and Procedure:

Leaves of absence without pay not to exceed ninety (90) calendar days may be granted upon establishment of reasonable justification, in instances where the work of the department will not be seriously handicapped by the temporary absence of the employee. Requests for such

leaves must be in writing. Normally, such leave will not be approved for an employee for the purpose of accepting employment outside the service of the City. Sick leave, vacation or other benefits shall not accrue for the duration of a leave of absence without pay.

ARTICLE 15 - VACATIONS

Section 1.

After completion of six (6) full consecutive calendar months of employment, employees shall be credited with forty-eight (48) hours of vacation leave. Thereafter, vacation leave shall accrue at the following rate:

<u>Number of Years of Continuous Service</u>	<u>Hours Earned Per Month</u>
1 through 5	8.00 hours per month
6 through 9	10.0 hours per month
10 through 15	12.0 hours per month
15 through 20	15.34 hours per month
20+ years	16.67 hours per month

Vacation accruals shall not be retroactively adjusted, but shall be implemented proactively upon execution or July 1 or the date of an interest arbitration award, whichever comes later.

Section 2.

The maximum vacation that may be accumulated by an employee is two hundred forty (240) hours. No payment for vacation hours over the cap will be paid, unless the employee is required to work during a scheduled vacation period.

Section 3. Continuous Service:

For the purpose of accumulating vacation credit, continuous service shall be service unbroken by separation from the City. Time spent by an employee on paid military leave, sick leave, leave resulting from an injury incurred in the course of employment, layoff and other authorized leave shall be included as continuous service. Other breaks in service may result in a loss of continuous service for the purpose of vacation accrual.

Section 4. Vacation Selection:

Employees shall be permitted to request vacation either on a split or an entire basis. Employees shall have the right to determine the vacation times subject to scheduling required for public service based upon the needs of an efficient operation, the availability of vacation relief, and the City's right to so arrange scheduling that each employee has an opportunity if he chooses to use at some time during the fiscal year the full amount of the vacation credit which he could accumulate in twelve (12) months of continuous service. Vacation time shall be selected on the basis of seniority; provided, however, that each employee will be permitted to exercise his right of seniority only once annually for one block of time. Thereafter conflicting requests for the same vacation time shall be resolved on the basis of first come, first served.

Section 5. Termination:

In the event of death or termination of an employee during the initial six (6) months of his employment, no payment in lieu of vacation shall be made. In the event of death or

termination of employment after an employee has served for six (6) consecutive months and is otherwise entitled to vacation credits, the employee shall be entitled to payment for accrued vacation leave.

ARTICLE 16 - COMPENSATION

Section 1. Salary Schedule:

Employees shall be compensated in accordance with the salary schedule attached to this Agreement as Appendix A.

Section 2. Step Advancement:
