One Block of NW Biggs St. to Close Dec. 10 - 13 for Water Main Installation

Newport, Ore. - NW Biggs St. between NW 58th St. and NW 59th St. will be closed to all vehicle, bicycle, and pedestrian traffic Tuesday, Dec. 10 through Friday, Dec. 13 to install a new water main. Posted detour route and signage will direct traffic around the work zone.

The water main will be installed between NW 58th St. and NW 60th St. along NW Biggs St. and the west edge of Agate Beach Neighborhood and Dog Park, which will remain open to the public.

The city encourages the public to use alternate routes whenever possible and to use caution when transiting into and around work zones.
